AB361** CORONAVIRUS COVID-19**

On September 16, 2021, the Governor of California signed AB361, suspending certain provisions of the Ralph M. Brown Act in order to allow for local legislative bodies to conduct their meetings telephonically or by other electronic means. Pursuant to the CDC's social distancing guidelines which discourage large public gatherings, the San Bruno City Council is now holding meetings via Zoom. Members of the public may attend the meeting by video or phone linked in this agenda or watch by livestream at www.youtube.com/user/cityofsanbruno. CityNet Services Channel 1 will air the meeting live and the recorded meeting will be made available for viewing on the City's YouTube channel after the meeting has concluded.

If you would like to make a Public Comment on an item not on the agenda, or comment on a particular agenda item, please email mthurman@sanbruno.ca.gov. Emails received before the special or regular meeting start time will be forwarded to the City Council, posted on the City's website and will become part of the public record for that meeting. If emailed comments are received after the meeting start time, or after the meeting ends, they will be forwarded to the City Council and filed with the agenda packet becoming part of the public record for that meeting. Emails received will not be read aloud during the meeting.

Individuals who require special assistance of a disability-related modification or accommodation to participate in this meeting, or who have a disability and wish to request an alternative format for the agenda, agenda packet or other writings that may be distributed at the meeting, should contact Melissa Thurman, City Clerk 48 hours prior to the meeting at (650) 619-7070 or by email at mthurman@sanbruno.ca.gov. Notification in advance of the meeting will enable the City of San Bruno to make reasonable arrangements to ensure accessibility to this meeting, the materials related to it, and your ability to comment.
